

Financial Aid Application Process

Valor Christian School International is blessed to provide financial aid to families in need. Aid may be awarded at varying levels based on need and fund availability. If you would like to be considered for Financial Aid, please note the following guidelines and deadlines for our financial aid application process:

- As funding and financial circumstances can change from year to year, we ask families to submit a new application each year.
- The Financial Aid Application can be accessed through your FACTS account or at <https://online.factsmtg.com/aid>
- Select the correct academic term to which you are applying for aid
- A **2022 Tax Return** is required to complete the 2023-24 financial aid application
- Applications for financial aid for the 2023-24 academic year are due **April 1, 2023**
- Please note FACTS charges a \$40 fee for processing financial aid applications.
- Following review by the VCSI Scholarship Committee, we intend to notify families of award decisions by May 1, 2023
- If you have questions navigating the FACTS system, their customer support is very helpful and can be reached at 866.441.4637
